Objective

To pursue a highly challenging career in the field of Engineering, where I can apply my knowledge and acquire new skills. I foresee myself to be part of top-notch team of professionals with sincerity, creativity and dedication.

Summary

- Good knowledge in the complete Product development life cycle involving development, documentation and maintenance.
- Good work ethics with excellent communication and interpersonal skills.
- Capable to delve into the new leading Technologies.
- Ability to work well in both a team environment and individual environment.

Technical Skills

Mechanical software

Catia V5 R17, Auto cad and Unigraphics Nx.8.

Operating Systems

Windows XP, Window 7, Windows 8 & Windows 8.1

Windows Application

MS Excel, MS Word, MS PowerPoint

Academic Credentials

Examination	Discipline	Board/University	Institution	Aggregate
Bachelor of Engineering (2012-2015)	Industrial and production Engineering	Visvesvaraya Technological University, Belagavi	P.D.A College of engineering Kalaburagi. Karnataka (Affiliated to VTU Belgaum)	73.5%
Diploma (2008-2011)	Mechanical engineering	DTE, Bangalore	Govt polytechnic K R pet TQ, Mandya district	52.28%
10 th class (2007-2008)	S.S.L.C	Karnataka Secondary Education Examination Board	Lions high school, kollegal TQ, chamarajanagar district	69.12%

Real Time Projects

Project in Engineering	“Study on performance, efficiency and feasibility on solar photovoltaic panels”
Team Size	4
Responsibilities	To guide my team as a team leader and have discussions on new ideas with my team mates to discover new terms and motivate them.
Project Description: This project is based on research and development, by this study we getting the results of different solar panels at what time with respect to what inclination we can getting better power as well as voltage and current. Hence it is need for selecting the good solar panels.	
Project in Diploma	“Automatic breakdown in four wheeler vehicle”
Team Size	4
Responsibilities	To guide my team as a team leader and have discussions on new ideas with my team mates to discover new terms and motivate them.

Workshop Attended

- Participated in Three days Ethnos program on personal development in college.
- Participated in two days work shop on **Non-Destructive Testing and Quality Control** in college.
- Participated in one day work shop **Smart Manufacturing Supply Chain**.
- Participated in two days workshop **Lean Manufacturing System**.

Training

- Internship carried out in “**J & K TYRES AND INDUSTRIES**” Pvt Ltd, Mysore”.

Personal Information:

Name	Pruthvi raj j
Date Of Birth	14/06/1992
Languages Known	English, Kannada, Tamil and Telugu.
Gender	Male
Nationality	Indian

Declaration:

I hereby declare that all the above information given by me is true to the best of my knowledge.

Place: Mysuru

Date:
