SKILLS

- Communication skills
- Time management
- Fast writer, fast typing
- Problem solving Analytical thinking
- Ms Word, Ms PowerPoint, Ms Excel, Internet.

PROJECTS

- **RAWE(Rural Agriculture Work Experience)**
During the program of RAWE we have been placed in a village for a duration of 3 months. Where we have communicated different farmers related to all the farming related things, and we also have learnt how the actual farming is done in the field in comparison to the theory classes where we learned only subject.
- **HoT/ELP(Hands on training/Entrepreneurship learning programme)**
During the program of HoT we have collected soil samples, we did soil testing of our college campus and we prepared soil map of our campus, and also we did many farmer's farm soil samples collected and we gave them soil testing results.
