

RESUME

Name : RAGAVENDRAN. M

Mobile : 8939237806

Email : ragavendran8@yahoo.com

CAREER OBJECTIVE:

Seeking a position to improve my skill and knowledge so that I can utilize it for the growth of the organization.

CORE COMPETENCIES

- Understanding with Engineering Principles and ability to independently use knowledge.
- Hands on experience on Creo 4.0-part modelling, sheet metal, assembly & integration.
- Experience in machine proto build with assembly line and issue capturing.
- Experience in working with cross – function projects/teams and a fundamental understanding of off highway equipment & machinery and engineering design.

WORK EXPERIENCE:

- Working as Engineer in DOOSAN BOBCAT from Apr 2019.

Roles:

1. Generate detail drawings of structural, sheet metal and surface components.
2. Creating drawings as per ASME Y 14.5-2009.
3. Generating bill of materials for new product development build.
4. Responsible for Part code creation using Oracle and co-ordinate with sourcing team.
5. Regular update for part receiving update for Engineering proto built activity.
6. Point of contact for proto build activity issues.
7. Responsible as an ECN coordinator for circulating the ECN to CFT Team.
8. Supplier visit for escalation of parts for regular proto parts.

- Worked as an Operation Executive in RTS LOGISTICS (project of Brakes India) from Jun 2018 to Mar 2019.

Roles:

1. DA and invoice preparation for outgoing materials.
2. Daily Kanban requirement details collection from all units.
3. Placing vehicles to collect the material as per daily requirement.
4. Collection material validation.

5. Arranging a special vehicle according to the deadline.
 6. Managing manpower and vehicle according to the object.
 7. Receiving goods on time following the vehicle and suppliers.
- Worked as an Operation Staff at TVS LOGISTICS (project of Brakes India) - Jan 2016 to May 2018.

Roles:

1. DA and invoice preparation for outgoing materials.
 2. Daily Kanban requirement details collection from all units.
 3. Placing vehicles to collect the material as per daily requirement.
 4. Collection material validation.
 5. Arranging a special vehicle according to the deadline.
 6. Managing manpower and vehicle according to the object.
 7. Receiving goods on time following the vehicle and suppliers.
 8. Interstate vehicle loading management and cross verification the invoices.
- Worked as an Alternator (Production Unit) at LUCAS TVS from Aug 2013 to Aug 2015.

Roles:

1. Rotor assembly and production.

ACADEMIC PROFILE:

- DIPLOMA IN MECHANICAL ENGINEERING - 75 %.
- H.S.C (State Board) – 68%
- S.S.L.C (State Board) – 65%

PERSONAL DETAILS:

- Father's Name : Manivannan. R
- Date of Birth : 04-Jun-1993
- Gender : Male
- Marital Status : Single
- Permanent Address: 17/100B, Agraharam Street, Palacode. Dharmapuri D.T – 636 808.

DECLARATION:

I hereby declare that the above details are true and correct to the best of my knowledge.
