Mob No. - 7337735430

Email- padavushreyas@gmail.com

Bengaluru, Karnataka.

CAREER OBJECTIVE:

Seeking an opportunity in a reputed organization which will help me to utilize, deliver and upgrade my skills in the job and meet the demands of the organization.

INTERNSHIP:

• promac engineering industries ltd :

Promac industries is high performance engineering entity providing cost effective EPC services for cement, power and process industries around the globe .

It was a one month internship program where I could extensively study about the designs of various coal processing plants and cement mills built and commissioned by promac. I was also able to understand the workflow and the coordination within the various department of promac industries. During the last week of internship I designed a command centre for a cement mill.

EDUCATIONAL QUALIFICATIONS:

Degree	Institution	Board/ University	Year	Percentage\ GPA
B.tech,MEC	Bangalore institute of technology	Visvesvaraya Technological University	2017-2021	8.3 (sem 1-7)
Pre university	Shakuntala Devi PU college	Karnataka pre university board	2015-2017	80
10th	Sudarshan vidya mandir	Karnataka board for secondary education	2015	91

PROJECT:

High temperature wear testing :

Involves study of coating on stainless steel surface in high temperature conditions. The coating consist of a mixture of oxides and carbides ,which were mixed homogeneously in powder form before being coated on the surface.

Design of air compressor and helical bevel gear :

The design of air compressor was a part of my solidworks certification program. helical bevel gear was designed after the completion of the solidworks training program.

PROFESSIONAL CERTIFICATION:

SolidWorks- Introduction, Interface and Sketching, Applying Features and Material, SolidWorks Assembly, SolidWorks Drawing and Portfolio

TECHNICAL SKILLS:

Design skills :solid edge, CNC simulator and solidworks

Computer Skills: MS Office, Databases, PowerPoint, spreadsheet

ACHIEVEMENTS:

- Team Leader of our B. Tech Project.
- Got second prize in a school quiz debate in 2013.
