VOCATIONAL TRAINING-

- Winter Vocational Training at “ DURGAPUR STEEL THERMAL POWER STATION (DVC), Andal .
- Summer Industrial Training at “ TATA STEEL LIMITED, Jharia Division ” .

PROJECT DETAILS-

- **TITLE:** Gear De-Burring machine.
- **DESCRIPTION:** Gear deburring is a process that has changed substantially over the past 10 years. There have been advancements in the types of tools used for deburring operations and the development of "wet" machines, automatic load and unload, automatic part transfer and turnover, and vision systems for part identification, etc.

SEMINAR DETAILS-

- **TITLE:** Load haul dump.
- **DESCRIPTION:** A machine that combines the operations of loading and hauling useful minerals or rock to an unloading point. LHD's are used in underground mines during excavation and haulage of ore from the working face, in the construction of underground structures, and in surface mining and construction earthworks.

SKILLS-

- Quick learner and hard worker.
- Empathic listener.
- Accustomed to work in team/group.
