

PROFILE

Mechanical graduate keen in exploring tomorrow's world of automotive. Wish to have myself in an organization where I can grow professionally and parallelly contribute the organization to take a step ahead towards its goal.

If my profile suits your requirement, count me in.

EDUCATION

Vivekananda Institute of technology

Aug 2015 – May 2019

5.7 was my GPA, rather than scoring marks, exploring the practicality has been my priority. Have been a major part in my academic project which was "Synthesis and characterization of Magneto-rheological fluid to control the vibration in ABS type vehicles."

WORK EXPERIENCE

TESCO (CEC-Associate)

March 2020 – present

Have been trained and worked as part of back-hand support team for the TESCO – UK. Over 3 months and now have been live in the process meeting their required standards.

TRAINING (CERTIFIED)

- 1) Trident Training Academy – Basic Technical Training.
- 2) Elemental MotorWorks - Advanced Concepts Of Automotive Technology.
- 3) Karnataka German Technical Training Institute – Volkswagen Group Service Advisor Talent Program.

SKILLS
