- Youth festival (drama & dance)
- Visit to Johndeere Testing center Hisar Haryana

## LANGUAGES

- Kannada (expert)
- English (intermediate)
- Hindi (intermediate)

## FUTURE GOALS

Aim to get a good hands on technical skill, bring the best in myself and set an extraordinary benchmark in each place I work.  
Also willing to complete my Masters correspondingly.  
Finally, I have ideas to execute in the future in the field of automation of most of the agricultural activities.
