

## **RUDRAGOUDA PATIL**

D – 2 First Floor, South City Phase – 2, Sohna Road, Gurgaon ,Haryana - 122001

**Contact:** 09873102919; **E-mail:** skmphole@gmail.com

---

### **PRODUCTION MANAGEMENT PROFESSIONAL**

*Seeking challenging assignments across the industry*

---

#### **PROFILE**

- Hard working and result oriented individual with experience in **Production, Planning, Operations, Process Engineering, Team Management, Inventory Management & Quality Management**; Worked in Production with Hero Motocorp Ltd, Gurgaon in Machine Shop.
- Proficient at detailed **planning and scheduling to meet pre set production targets** and conceptualizing and implementing process modifications to enhance operational efficiency and optimize resource utilization and achieve consistent increase in profitability.
- Well versed with the concepts of **Machine Shop – Robo Drill CNC Vertical Machining Center & Multi Spindle SPM like Drilling, Reaming , Tapping , Rough boring ,Fine boring ,Rotary Milling, Leak test m/cs, Washing m/cs.**
- **Heat Treatment- S.Q.Furnaces, Endogenerators, Tempering, Induction Hardening , Annealing, Shot Blasting, Electro / Non electro Plating & Metallurgical Quality Inspection.**
- Understanding of the **5S, Kaizen, Quality Circles, TPM.**
- Versatile professional with significant and progressive experience in boosting productivity, cutting costs, fostering efficiency in a manufacturing process setting with proven track record of troubleshooting of plant, machinery, utilities & capital equipment & overall production management.

#### **Core Competencies**

Production Management • Cost Optimization • Product / Process Validation • Process Improvement • Quality Control / Assurance • Training & Development • Cross Functional Leadership • Resource Optimization • Safety Compliance • Team Management
---

---

#### **PROFESSIONAL EXPERIENCE**

##### **HERO MOTOCORP LTD, GURGAON**

**March 1997- June 2022**

##### **Production -Machine Shop**

- Leading activities across handling entire project of functions pertaining to production planning and control thereby ensuring strict adherence to the time schedule, quality standards and total productivity maintenance whilst achieving pre-set production target.
- Professionally looking after working of the contract production unit while ensuring to achieve production targets inconformity with the plant capacity.
- Ability to managing shop floor with judicious work allocation and deployment of manpower to achieve maximum productivity

- Steering and implementing Business Excellence activities to maintain & strengthen various management systems and processes, also, extending support in conducting internal audits as per requirement.
- Reviewing existing systems & procedures and design internal controls/ quality audit checks for various operational areas for achieving higher operational efficiency, resource rationalization and cost reduction.
- Formulating operational strategies for the quality function by carrying out long term and short term quality planning in line with the organization requirements.
- Ensuring all the products have met the specifications clearly with careful & sophisticated quality control measures in compliance to the specified standards.
- Streamlining process of conducting test & inspection for development of jigs and fixtures for enhancing productivity and quality of product.
- Responsible for planning raw materials, scheduling operational activities and achieving monthly targets
- Leading efforts across handling the working of the entire team to ensure smooth operations in conformity with quality parameters. Coordinating with the staff to achieve better results while mitigating bottlenecks
- Implementing preventive, planned and predictive maintenance practice to minimize downtime of machines; Expert in evolving breakdown solutions with systematic diagnosis of failures
- Instrumental in planning, scheduling with respect to cost, resource deployment, time over-runs, quality compliance and manpower planning in line with the organization requirements; ensuring adherence to organization's standards & procedures, playing a pivotal role during audits.
- Entrusted with the professional competencies in mobilizing and judiciously managing resources with structured inputs in the domains of production planning, scheduling and monitoring to ensure smooth production operations within defined time/quality parameters.

#### **AUTOMOTIVE AXLES LTD , MYSORE**

**Oct 1995 – March 1997**

##### **Production - Heat treatment**

- Reviewed existing systems & procedures and designed internal controls/quality audit checks for various operational areas for achieving higher operational efficiency, resource rationalization and cost reduction
- Appraised the prevalent production systems/processes, identify loopholes and undertake result-oriented measures for alleviating them
- Provided technical guidance to workers for pre-machining of raw materials, thereby, ensure maximum utilization of production machinery.
- Planned & controlled production process and directed efforts of workforce to maximize productivity. Mentoring new employees reached full capacity while maintaining quality and production goals.
- Preparing & reviewing SOP's & documentation, engage in performance monitoring of all key elements of materials management including taking corrective action wherever appropriate.

- Identified shortfalls in awareness/understanding/access of process and practice while providing effective solutions; handling incident and non-conformance reporting
  - Established plan for ensuring compliance to all HSE activities and practices
  - Streamlined productivity improvement activities required for producing components while controlling the cost and maintaining world class quality
  - Deftly implemented cost rationalization measures to maintain overall competitiveness
- 

#### **ACADEMIC CREDENTIALS**

- B.E in Metallurgical Engineering, 1995  
N.I.T Surathkal, Karnataka, Mangalore University
  - Intermediate  
J.S.S College Dharwar, Karnataka, Pre University Board, Bangalore.
  - Matriculation  
K.E.Board Dharwar, Karnataka, S.S.L.C Board, Bangalore
- 

#### **PERSONAL PROFILE**

- Date of Birth - 2nd June, 1971
- Marital Status - Married
- Languages Spoken - Kannada ,English & Hindi
- Permanent Address - H.No- 302, Third floor ,  
Nandhi Residency , Gandhi Nagar ,  
Dharward , Karanataka - 580004
