Phone Number: +91 9900776170

Present Address: #870, A-16, Sujatha Building, 2nd Main, Ayyappa Nagar, Bangalore -560015

OBJECTIVE:

Looking for an excellent opportunity to work as a Mechanical Engineer where my talent and knowledge can be best utilized for the development of the organization.

PROFESSIONAL SUMMARY:

- 3.5 Years of experience in production process, supply chain management, purchase planning, vendor development, estimation, quality control & project handling.
- 1.5 Years of experience in product design, development, detail engineering & execution.
- Analysing and evaluating technical specifications provided by vendors for handling interdepartmental technical issues during product development and provides technical support during product QA testing and assessing.
- A strategic planner with adeptness in implementing cost reduction measures to achieve a saving in terms of material, procurement, production & logistics cost.
- Maintaining the stock of material without any variance by conducting stock verification and documentation; receipts, issues, accounting and monitoring the inventory of the raw materials.
- Vendor problem solving with product drawings & the freezing requirement by technical specifications.
- Conducting meetings for new projects for forecasting and making time to get a feel of the criticalities involved in the project, so there should not be any complexity in the on-going projects.
- Effective communicator and negotiator with strong analytical problem solving and organizational abilities.
- Knowledge of implementing the GD&T as per ASME Y14.5M-1994, generating assembly parts list, bill of materials, annotations, surface finish symbols and weld symbols while drafting.
- Abilities in creating, reading, interpreting engineering drawing with proficiency in designing and developing new products in conformance to a pre-defined technical specifications.
- New product development and preparing part design, conversion of parts, product from 3D to 2D parameters and vice versa, creation of drafting, sheet metal design, assembly design, surface modeling, reverse engineering & creating bill of materials using 3D CAD tools.

PROFESSIONAL EXPERIENCE:

- Currently employed with Gostol TST India Pvt Ltd. working as a senior engineer in purchase and project handling since September 2017
- Worked as design engineer for Cadmaxx Solutions Pvt Ltd. from June 2017 till August 2017
- Worked for Neoairtech India Pvt Ltd. as an engineer in supply chain management and project handling from October 2013 till May 2017
- Worked as an associate CAD engineer for TE Connectivity India Pvt Ltd. from September 2012 till October 2013

EDUCATIONAL QUALIFICATION:

Bachelor of Engineering in Mechanical Engineering - Year of completion: 2012

Institution: Shree Devi Institute of Technology, Kenjar, Mangalore.

Board: Visvesvarayya Technological University, Belgaum, Karnataka.

Diploma in Mechanical Engineering - Year of completion: 2009

Institution: M. E. S. R. N. Shetty Polytechnic Vidyanagar, Sirsi.
